3. Join the audio portion of the meeting by dialing the telephone number provided above.
4. During the webinar, you may ask questions by typing in the questions panel or announcing yourself on the audio.

Workshop Objective

This workshop will focus on Energy Division's proposals and parties' ideas related to EM&V for the 2009-2011 program cycle. Energy Division's proposals are provided along with this agenda and via the links below. The workshop aims to facilitate parties' discussion and improve parties' understanding of the 2009-2011 EM&V issues, with the goal of informing written comments on EM&V issues, to be submitted by parties at a later time.

Draft Agenda

(capital letters reflect sections of the ED straw proposal which are the subject of discussion)

9:00-9:15		Introduction and additional agenda items
